Planning Application – 18/02592/HHFUL Mill Tiles, South Street, Woodhurst Cllr Farbon invited the member of the public to comment on the application, who said there was a comment on the HDC website and had nothing further to add but was in support of the application. Cllr Pendered commented that the application was a straight forward change of use with no structural changes. Cllr Firth acknowledged that two windows would be added to the front of the building. Cllr Notman commented that it would enable a young person to remain in the village. Cllr Farbon suggested that there would be no negative issue with the view from neighbouring listed buildings, no change of the street scene and no parking issues. He also felt that there should be a condition included in the application that the building could not be sold separately from Mill Tiles as doing this could cause access and parking issues. Councillors voted unanimously in favour of the application. The HDC form was completed and signed. Clerk to email to planning department.</p>	None
