35	Planning Applications – 19/01205/FUL – Snowcap Mushrooms St Ives Road. The application was discussed with all Councillors expressing concern about lorries adhering to the weight limit through the village especially during the construction stage when there would be more lorries travelling to the site. It was agreed that the council would express no objection to plans but would like to remind planners of the weight limit through the village.	SM
36	Traffic Calming / LHI Bid – the completion of the LHI bid form was discussed. Cllr Reynolds queried the proposed positioning of the narrowing at the Old Hurst end of the village in relation to the double bend. Cllr Notman explained that the bid would be for narrowing and a buffer zone at either end of the village and the committee would recommend the best solution and placement. Cllr Firth asked if there would be a problem if the placement was beyond the Woodhurst Parish boundary. Cllr Notman said this was a good point and he would look into it. It was agreed that the contribution stated would be 30% of total up to £5000. Cllr Notman stated that he would attend the meeting to present the bid and so would be able to include additional information such as details and photographs of recent accidents. It was agreed that Cllr Notman would complete and submit the application.	AN
