30	<b>Health &amp; Safety</b> – Cllr Brown reported that an accident had occurred going out of the village at West End with a rider coming off his bike, fortunately the rider was uninjured. Cllr Brown did not feel this was speed related. Public member suggested this is logged for future use. Cllr Notman explained it would be in the meeting minutes.	None
31	<b>Public right of way</b> – Cllr Notman reported that Church Passage has been cleaned and weeded. Cllr Marr has received a complain that Butt Lane has been used by horses, it was suggested that if seen this is reported to PC as footpath not bridle way. Issue is damage to ground caused by hooves.	All
32	<b>Planning</b> – 20/01080/CLPD Garage change of use, Ferndown West End – This was discussed and no objections were raised as parking not an issue as provision has been made for off road parking and not distracting from street scene.	

	Tree applications have also been received for information.	SM
33	<b>Maintenance</b> – J J Garden Maintenance have completed a lot of work in the village recently, improving the appearance of the village. Ridges pond to be cleared out when the weather is suitable.	None
34	<b>Traffic calming / LHI bid</b> – Cllr Notman commented that Cllr Jones has handed out bin stickers. Cllr Jones discussed purchasing more bin stickers. Requests have been received from parishioners to have bin stickers, Cllr Notman advises that there is more impact if not on every bin. Cllr Pendered agreed that should go with Speedwatch advice. Cllr Brown agrees go with advice and explain this to parishioners. Cllr Jones commented that he felt there are some significant gaps so over population would not be an issue. Perhaps wait and see what appears. Still six stickers to allocate in the centre of Church Street. Cllr Firth enquired if any difference has been noted. Cllr Notman said this was hard to monitor without conducting a speedwatch on bin day and then on a non bin day. Cllr Marr and Pendered offered to have stickers on their bins. Cllr Notman reported no update on this year LHI Bid. Once there is enough data from tracker can request 20mph limit in South Street for next year's bid. Data tracker will be useful for recording speed and also large vehicles. Will have more stats and bid written up by September meeting. Cllr Marr spoke to David Hopkins about speed indicator device and he is willing to lead this to the Parish Council. This may have to go on the insurance. Speed watch to be carry out on Friday in Church Street	AM/ AN
