Annual Review

Through the ongoing hard work of all the committee members and volunteer villagers we have had another successful year of bringing the village community together at the Hall through family, social and fundraising events. During the year the Hall committee has arranged a number of Village Bar Nights, the Christmas Quiz, 100 Club Draw and, for the second year running a pensioners Christmas lunch for nearly 30 Woodhurst pensioners. They were treated to a full home cooked Christmas lunch with all the trimmings, donations from villagers, local businesses and the Co-op enabled the lunch to be laid on at no cost.

Some events continue to be a combined effort between the active groups in the Village (the Hall, Church and Natural Woodhurst); the Woodhurst Feast Week in particular acts as a fun and fundraising week when those that wish to in the village join together, as has happened for many hundreds of years. Feast Week is arranged by a small group of people with representatives from the Church, Hall and NW.

Feast Week 2011 started with the Church service (once again superbly researched and arranged by Shirley Firth) which looked at the historic public houses of Woodhurst. This was followed by cream teas and a mid-week family rounders and bbq evening. Disappointing ticket sales caused the Barn Dance to be cancelled to minimize losses. Feast Week raised £568.40 which was split equally between the Church, Natural Woodhurst and the Village Hall.

The Hall has been and continues to be used as a venue for a number of different events including a Polling Station for HDC, the meeting room for the Parish Council, Natural Woodhurst events and Village meetings. A children's drama and singing class has recently commenced on a Thursday afternoon.

The Hall has been privately booked during the year by residents for a number of family events, as a rehearsal space for a drama production and as a meeting venue for some out of village clubs and societies. The Hall's facilities have been made available to the Church for their Advent Fair and for refreshments after an inter-parish service.

Forthcoming events planned by the Committee this year include Feast Week events, bar nights, the Christmas quiz and another pensioners lunch.

A formal letting agreement is being used for all bookings, attached to this is a copy of the Hiring Rules. A hiring agreement has been drawn up for the Village Hall equipment which is available for hire to villagers. Copies of these are available on the Woodhurst Website or from Simon West.

The Premises

As previously reported, the Village Hall Committee continue to investigate the replacement of the Hall which is nearing the end of its useful life. Further prices for architect's drawings are awaited. The Parish Council and villagers will then be consulted before a pre-application consultation with HDC prior to a planning application being made and grant funding sought. An environmentally sensitive building with optimum energy saving measures is being sought.

Finances

A full financial report will be made available at the Village Hall AGM on the 4th May.
