

## **WOODHURST.**

**CHAPEL OUTING.**—The ladies of the Sewing Meeting arranged a special day's outing for the children of the Sunday School, for which funds were raised at the recent sale of work. On Thursday the children, accompanied by parents, teachers and friends, went to Felixstowe, joining the Sunday School excursion train from Warboys at St. Ives station. The Pastor (Rev. B. R. Bax), who was unable to join the party, was at the station to see them off. The rather long journey was thoroughly enjoyed by the children, special thrills being experienced by two youngsters, who had never travelled by train before. The day was dull but mainly fine and a very happy time was spent. The children paddled, bathed and patronised the various amusements of the fun fair, the animals at the zoo providing special attraction. Joining the Warboys schools at tea time, they all did justice to the ample meal provided. After a visit to the various shops, where the remaining pennies were disposed of, the party left Felixstowe at 6.40 p.m., arriving at Woodhurst at 9.45 tired but happy.
