

FEAST WEEK

Feast Week was a fantastic success this year with a number of events throughout the week. A grand total of over £1400 was raised for The Church, The Village Hall and Woodhurst In Bloom, so THANK YOU to all those who contributed in any way, shape, or form.

IN BLOOM

The Village will be judged for Anglia In Bloom on Wednesday 9th July at 2.30pm. The judges have an hour to tour the village and see the work that has been done. This is backed up by a portfolio which has already been delivered to the judges—this highlights the year round activities of the village and of course the flowers and plants that are maintained within our environment. The Judges' tour will finish at the Church at around 3.30pm, so feel free to come and offer your support. If you would like to view this years portfolio, please visit the In Bloom page on the Woodhurst Website

This year all the 'public' planting (The Pump, The Church, The Village Signs, the handcart opposite the pond and various tubs around the village) have all been planted with plants paid for out of the profits of various plants sales run by Woodhurst In Bloom.

This year, our community project is to install a tree seat planter on the roundabout in Moot Way, something that has been made possible with the help of Luminus and the Moot Way residents. It should be going up in the next few days and will be planted with the help of the children of Moot Way.
