

## Feast Week News

Woodhurst Feast Week has been celebrated in the village for over 200 years. It takes place in the week around the 24th June which is the Feast Day for St John the Baptist, the patron saint of our church.

Feast Week provides an opportunity for the village community to get together and celebrate our heritage and environment and to raise vital funds to help with the running costs of the Church and Village Hall. Last year's events raised over £1,000.

This year's events include....

**Cream Teas, Scarecrow Festival, 100 Club  
Gardening Competitions, Family Sports,  
"Disco through the decades".**

This year's Church Service will include a presentation by Shirley Firth on "Education in Woodhurst". If you were at school in Woodhurst or know someone that was please contact Shirley on 822958.

Offers of help, before, during, and after all events would be welcomed. To volunteer your time, please contact Annabel on 824356.

### Speedwatch

The speedwatch volunteers have recently spent time sampling traffic speeds through the village at the request of the Parish Council. Around 20% of traffic was found to be in excess of the limit on Church Street, with the maximum speed measured at 44mph. If you wish to volunteer for the speedwatch scheme, please contact one of your parish councillors who can put you in touch with the co-ordinators.

### Boundary Changes

As part of recent boundary changes the public footpaths south of the wooden bridge in Butt Lane, and part of the Bridleway are no longer under the remit of Peter Collins, our Parish Paths co-ordinator. Queries on these parts of the paths should now be directed to St Ives Town Council
